WOORD VOORAF

Knokke-Heist barst van creativiteit, verbondenheid en doorzettingsvermogen!

30 hotels die zich verenigen in een vzw en zich samen inzetten om hun gasten ten volle van het goede beleven in onze gemeente te laten genieten, is daar een mooi voorbeeld van.

VERVOLG →

Een fantastisch initiatief want zeker in deze uitzonderlijke tijden is het belangrijk dat we elkaar steunen. Ik vind het dan ook lovenswaardig dat de vzw Visit KH de lokale handelaars gratis hebben opgenomen in deze publicatie. Het is een impuls voor de lokale economie en een hoopvol signaal dat we samen uit deze moeilijke tijden kunnen geraken.

Ik blijf positief en ben er van overtuigd dat de coronacrisis op termijn ook mogelijkheden kan bieden. Mensen zullen minder naar het buitenland reizen en een grote groep zal de Belgische kust en Knokke-Heist (her)ontdekken. We zullen iedereen in veilige omstandigheden met open armen ontvangen en ik weet dat jullie hier dankzij de schitterende hotels ook in de beste omstandigheden kunnen overnachten.

Ik wens u alvast een bijzonder fijne tijd in Knokke-Heist en hoop dat u in deze VIP guide enkele leuke en verrassende adresjes ontdekt om uw verblijf hier nog aangener te maken.

Graaf Leopold Lippens

Burgemeester

Knokke-Heist déborde de créativité, de solidarité et de persévérance ! L'association de 30 hôtels en une ASBL pour agir ensemble et permettre à leurs clients de profiter pleinement d'un agréable séjour dans notre commune en est un bon exemple.

Cette initiative est fantastique, car il est important que nous nous soutenions, surtout en cette période exceptionnelle. J'apprécie aussi tout particulièrement que l'ASBL Visit KH ait inclus gratuitement les commerçants locaux dans cette publication. Cette mesure offre un nouvel élan à l'économie locale et nous laisse espérer que nous pouvons sortir ensemble de ces moments difficiles.

Je reste positif et je suis convaincu que la crise du coronavirus peut également offrir des opportunités à long terme. Les gens voyageront moins à l'étranger et ils seront nombreux à (re) découvrir la côte belge et Knokke-Heist. Nous accueillerons tout le monde en toute sécurité et à bras ouverts, et je sais que nos magnifiques hôtels vous permettront de séjourner dans les meilleures conditions.

Je vous souhaite de passer un bon moment à Knokke-Heist et j'espère que vous découvrirez dans ce guide VIP quelques endroits agréables et surprenants pour rendre votre séjour encore plus agréable.

Le comte Leopold Lippens

Bourgmestre

Knokke-Heist is bursting with creativity, connectedness and perseverance ! A wonderful example of this is the 30 hotels that are joining forces to create a non-profit organisation and to ensure that their guests enjoy the very best of our municipality.

This is a fantastic initiative, because in these extraordinary times it is more important than ever for us to support one another. Also worthy of praise is the decision by the non-profit organisation Visit KH to include local traders in this publication free of charge. This will help to stimulate the local economy and is a hopeful sign that we will come out of this difficult period together.

I remain positive and am convinced that in time, the coronavirus crisis may also offer opportunities. People will be less inclined to travel abroad and many will discover – or rediscover – the Belgian coast and Knokke-Heist. We will welcome everyone safely and with open arms, and I know that thanks to our stunning hotels, you can spend the night here in the very best surroundings.

In the meantime, I wish you a wonderful stay in Knokke-Heist and hope that you will discover some entertaining and surprising addresses in this VIP guide that will make your stay here even more enjoyable.

Count Leopold Lippens

Mayor

Knokke-Heist strotzt nur so vor Kreativität, Solidarität, Entschlossenheit und Dynamik ! 30 Hotels, die sich in einer Vereinigung ohne Gewinnerzielungsabsicht zusammengeschlossen haben und sich gemeinsam dafür einsetzen, dass ihre Gäste die schönen Seiten des Lebens in unserer Gemeinde in vollen Zügen genießen können, sind ein gutes Beispiel dafür.

Eine wunderbare Initiative, denn gerade in diesen außergewöhnlichen Zeiten ist es wichtig, uns gegenseitig zu unterstützen. Ich finde es daher lobenswert, dass die Vereinigung ohne Gewinnerzielungsabsicht Visit KH lokale Händler kostenlos in diese Publikation aufgenommen hat. Es ist ein Impuls für die lokale Wirtschaft und ein hoffnungsvolles Signal, dass wir gemeinsam diese schwierigen Zeiten meistern werden.

Ich bleibe positiv und bin überzeugt, dass die Coronakrise langfristig auch Chancen bieten kann. Die Menschen werden weniger Auslandsreisen unternehmen und eine große Gruppe wird bestimmt die belgische Küste und Knokke-Heist (neu) entdecken. Wir werden alle unter sicheren Bedingungen aufs Herzlichste empfangen, und ich weiß, dass Sie dank der schönen Hotels hier unter den besten Bedingungen übernachten können.

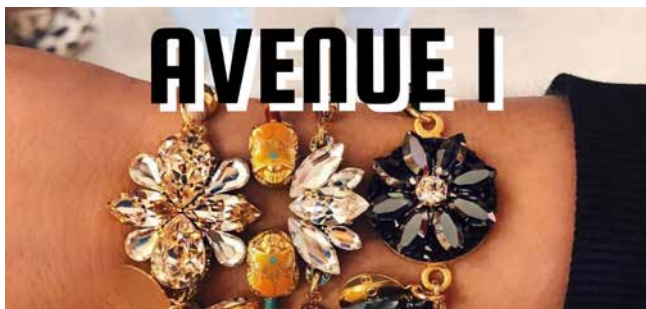

Ich wünsche Ihnen eine sehr angenehme Zeit in Knokke-Heist und hoffe, dass Sie in diesem VIP-Führer einige nette und überraschende Adressen entdecken werden, um Ihren Aufenthalt hier noch angenehmer zu gestalten.

A UNIQUE NATURAL RESOURCE

At Zwin Nature Park, Belgium's international bird airport, you can watch birds coming and going all year round. Some of them come to breed, others take a rest during their long migrations, and yet others come to spend the winter in this beautiful natural area or are permanent residents. Did you know over 225 bird species have been spotted here, including storks, who come each year to breed and teach their young how to fly? You can also see tree frogs, a rare species who like to sun themselves on blackberry leaves. They are no bigger than a human fingertip.

THE ZWIN PLAIN

In summer, the flowering of the sea lavender turns the Zwin plain into a beautiful purple carpet. Later in the year, it displays the gorgeous colours of autumn: the perfect time to take a walk there.

THE PANORAMA TOWER

On top of the panorama tower, you can enjoy a magnificent 360° view of the park and its environs. With our brand new Swarovski Vista telescopes, you can also observe the landscape in detail.
